# Meet the PeopleGuru™ Kiosk

Secure, intuitive, and built for every industry.

## Why PeopleGuru™

PeopleGuru™ has helped organizations of every size and industry manage their people with confidence. Our kiosk technology connects directly into our all-in-one HCM application, making time collection accurate, secure, and effortless.

## Why HR Leaders Choose Us

**Protect Your Workforce:** Built-in encryption keeps employee data safe.

**Boost Accuracy & Compliance:** Every punch is verified, reducing costly errors.

**Flexible Setup:** Works on Wi-Fi, battery backup, and no firewall restrictions.

**Branded for You:** A seamless, professional experience for your organization.

**Always On:** Offline capabilities ensure no lost punches, even without internet.

## More than just a timeclock

The PeopleGuru™ Kiosk empowers employees and reduces HR admin with simple self-service features:

- ♥ Punch In/Out
- ♥ Transfer Departments
- ♥ Review Schedules
- ♥ Review Hours
- ♥ No-touch QR code

Empower employees to record their time with ease, while HR gains accuracy and peace of mind.

## PeopleGuru™ has everything you need to succeed
